## OPERATIONS DIVISION

The Operations Division of the Bradley Police Department consists of one Commander, 6 Sergeants and 16 Patrol Officers and 2 K9 Officers. The Operations Division is the backbone of the Bradley Police Department and is most recognized as the Patrol Unit. Its primary responsibilities include: The protection of life and property, the preservation of peace and order, the control and direction of traffic, the investigation of traffic crashes, the investigations of criminal acts in progress and the apprehension of criminals and the provisions of a myriad of other police services.

The Operations Commander is Lt Philip Trudeau. Lt Trudeau first served the Bradley Police as a Dispatcher in 1997-98 and returned as a Police Officer in 2001 he has served as Traffic Safety Officer, GREAT Instructor, Crash Investigator, Crime Scene Technician, Honor Guard Member, Sergeant and Shift Commander prior to his current assignment. He can be reached on his office line of (815) 936-5120 or by his department e-mail at [pjtrudeau@bradleyil.org](mailto:pjtrudeau@bradleyil.org). For more information you can visit the Operations section of the Bradley Police Department's website at [www.bradleyil.org](http://www.bradleyil.org).

These services include: Extra Patrol checks on businesses and residential dwellings, specialty vehicle patrol, Foot Patrols and park checks. Operations provide twenty-four hour police service and responded to over 33000 emergency and non-emergency calls for service in 2017.

The Operations Division patrols over seven (7) square miles within the Village of Bradley utilizing 3 patrol shifts. The 1<sup>st</sup> Shift 0645 – 1515 hours, 2<sup>nd</sup> Shift 1445 – 2315 hours and the 3<sup>rd</sup> Shift which runs 2245 – 0715 hours. The 30 minute overlap on each shift change allows for those officers coming on duty to attend Roll Call and receive daily briefings and training sessions. This overlap also ensures that there are always police officers available to respond to incidents despite shift changes. The officers assigned to a patrol shift now rotate days off on 5 on, 2 off, 5 on, 3 off; 15 days cycle of 8.5 hour shifts. During the officers' tour of duty they may be dispatched to calls involving burglaries, robberies, assaults, domestic violence, alarms, reports of drunk drivers, prowlers, traffic crashes and many other calls for service.
