## OPERATIONS DIVISION

The Operations Division of the Bradley Police Department consists of one Commander, 6 Sergeants and 16 Patrol Officers and 2 K9 Officers. The Operations Division is the backbone of the Bradley Police Department and is most recognized as the Patrol Unit. Its primary responsibilities include: The protection of life and property, the preservation of peace and order, the control and direction of traffic, the investigation of traffic crashes, the investigations of criminal acts in progress and the apprehension of criminals and the provisions of a myriad of other police services.

The Operations Commander is Lt Philip Trudeau. Lt Trudeau first served the Bradley Police as a Dispatcher in 1997-98 and returned as a Police Officer in 2001 he has served as Traffic Safety Officer, GREAT Instructor, Crash Investigator, Crime Scene Technician, Honor Guard Member, Sergeant and Shift Commander prior to his current assignment. These services include: Extra Patrol checks on businesses and residential dwellings, specialty vehicle patrol, Foot Patrols and park checks. Operations provide twenty-four hour police service and respond to nearly 30000 emergency and non-emergency calls for service in 2016.

The Operations Division patrols nearly seven (7) square miles within the Village of Bradley utilizing 3 patrol shifts. The 1<sup>st</sup> Shift 0645 – 1515 hours, 2<sup>nd</sup> Shift 1445 – 2315 hours and the 3<sup>rd</sup> Shift which runs 2245 – 0715 hours. The 30 minute overlap on each shift change allows for those officers coming on duty to attend Roll Call and receive daily briefings and training sessions. This overlap also ensures that there are always police officers available to respond to incidents despite shift changes. The officers assigned to a patrol shift now rotate days off on 5 on, 2 off, 5 on, 3 off; 15 days cycle of 8.5 hour shifts. During the officers' tour of duty they may be dispatched to calls involving burglaries, robberies, assaults, domestic violence, alarms, reports of drunk drivers, prowlers, traffic crashes and many other calls for service.

## COMMUNICATIONS

The Village of Bradley Emergency Communications Center is staffed by 10 full time Telecommunicators providing 911 Police and Fire dispatch services to all residences and businesses in the Village. Bradley is now one of two PSAP's (Public Safety Answering Point) in Kankakee County along with KanComm. Both centers serve as back-ups for the other and are NG-911 (Next Generation 911) ready and are awaiting construction of the statewide emergency services network. Once constructed, NG-911 will allow wireless callers to text 911, or even send video of the emergency situation. The Village has implemented a dispatcher certification program in conjunction with the Association of Public Safety Officials (APCO) to provide the latest and most comprehensive training and continuing education for our staff. APCO is the world's largest public safety communications organization. Partnering with APCO will help our Telecommunicators keep pace in an ever changing world of technology and allow us to offer the best possible emergency service communications to the residents and visitors of our community.
